

Seakart:

Seakart is a state of the art water sports craft. Bearing resemblance to go-kart, the Seakart is 3.5 m long and 2 m wide and offers great stability and comfort to the patrons onboard. With a steering wheel, a paddle accelerator and push button engine on/off, the Seakart is extremely easy to drive. A Seakart can seat 3 people. One seat will be occupied by licensed instructor while the other two can be tourists. The licensed instructor will serve as a guide and supervisor whilst you drive your own Seakart. . At Seakart Adventure Andamans, you get 30 minutes of excursion time starting from Corbyn's Cove Beach till near Ross Island & back. A long route gives you and your companion ample time to drive, enjoy and explore the magnificent coasts of Port Blair.
